PROFILE

Award-winning Graphic Designer and Photographer with expertise in print and digital media, seeking to bring creative vision and technical skills to an innovative team. Proven ability to create engaging visual content that aligns with brand values and meets project specifications. With experience collaborating with diverse teams and managing multiple projects simultaneously, I excel in delivering high-quality designs that drive engagement and brand awareness. Skilled in Adobe Creative Suite, including Photoshop, Illustrator, and InDesign, I am eager to contribute to projects that push creative boundaries and enhance user experiences.

EXPERIENCES

FLEET FARM // GRAPHIC DESIGNER

JUN. 2023 - AUG. 2024

Successfully managed projects in a hybrid role, combining in-office teamwork with remote collaboration to enhance efficiency and drive results. Collaborate with a team of graphic designers to execute design projects both for digital and print use. Create high-quality graphics to improve engagement and promote events. Manage multiple design projects simultaneously from concept through completion, while coordinating with multiple teams to meet strict deadlines. Ensure final products align with brand values & project specifications.

NWTC PRINT LAB // LAB AIDE

JAN. 2022 - JAN. 2023

Operate a multitude of machines including HP Indigo, Mimaki JV150-160, Mimaki CJV150-107, Mimaki UV Flatbed JFX200-2513, & a Flat bed cutter table. Created, imposed and optimized documents to get them print ready. Designs items for the college. Helps students fix files and print designs.

GREATER GREEN BAY CHAMBER // GRAPHIC DESIGN INTERN

AUG. 2021 - DEC. 2021

Collaborated with the Creative Director and Graphic Design Manager to develop design concepts and apply changes. Adhered to brand guidelines and complete projects according to deadline. Retouched and manipulate images. Use graphic design software and work with a wide variety of media. Created designs for online advertisements and print.
